

Notice: To ALL TennCare Members

ALL TennCare patients will be required to use their LEGAL name on ALL clinic documentation. If your name has changed since you became effective with TennCare, you must notify your case worker with the Department of Human Services in your local area. If you do not and we file your claims with a different name, you are committing insurance fraud, which means your insurance coverage may be terminated or cancelled. You may also contact the TennCare Advocacy at (800) 722-7676 to change your name.

If your claims are rejected and not paid for this reason, you will be responsible for the amount due (in full) on the date of service.

Thank you, JRWC
